BACKGROUND

Bangladesh is one of the world's leading aquaculture producing nations and a major exporter of fish and seafood products. The fisheries sector contributes significantly to national food security, rural employment, and export earnings. With increasing domestic consumption and growing global demand for seafood, the aquaculture industry in Bangladesh is rapidly expanding and modernizing.

To enhance productivity, sustainability, and export competitiveness, the sector is increasingly adopting modern aquaculture technologies, advanced feed systems, water quality management solutions, hatchery innovations, and cold chain infrastructure.

SeaAqua Bangladesh 2026 aims to provide a focused platform for industry stakeholders to showcase modern aquaculture equipment, seafood processing technologies, fisheries management solutions, and sustainable marine innovations supporting the future growth of Bangladesh's fisheries and aquaculture industry.

OBJECTIVE OF THE EXHIBITION

-  To create a specialized platform for the fisheries and aquaculture industry
-  To promote modern aquaculture technologies and sustainable seafood production
-  To connect global technology providers with Bangladesh's fisheries sector
-  To showcase innovations in aquaculture equipment, feed, and seafood processing
-  To facilitate partnerships among producers, exporters, and technology providers

VISITORS' PROFILE

- Fish farmers & aquaculture farm owners
- Hatchery operators
- Seafood exporters & processors
- Importers & distributors of aquaculture equipment
- Fisheries & aquaculture companies
- Government fisheries departments
- Aquaculture researchers & universities
- Cold chain & seafood logistics companies
- Investors & financial institutions
- Retailers & seafood distributors

UNIQUE PROPOSITIONS

-  Bangladesh's specialized platform for fisheries & aquaculture technology
-  Access to one of the world's fastest growing aquaculture markets
-  Strong participation from seafood exporters and farm operators
-  Integration with the Farm2Food Bangladesh Exhibition Series
-  Opportunities for technology demonstration and industry networking
-  Gateway to South Asian seafood and aquaculture markets

EXHIBITORS' PROFILE

Aquaculture Equipment & Technology

- Fish farming equipment
- Aeration, pumps & filtration systems
- Cage culture technology
- Water quality monitoring

Hatchery & Breeding

- Hatchery equipment
- Fish breeding & larval rearing systems
- Genetics & breeding solutions

Feed & Nutrition

- Fish feed manufacturers
- Feed additives & nutrition technology

Health & Biosecurity

- Aquaculture veterinary medicines
- Vaccines & health products
- Water treatment & disease control

Fishing Net & Gear

- Nets, ropes & lines
- Trawl & seine nets
- Cages, traps & fishing equipment

Processing & Cold Chain

- Fish processing machinery
- Packaging technology
- Cold storage & logistics

Smart Aquaculture

- IoT monitoring systems
- Smart feeding & automation
- Drone & digital solutions

ACTION PLAN/ FACT SHEET

Event Name: SeaAqua Bangladesh 2026

Detail: International Exhibition on Seafood, Fisheries & Aquaculture Technology

Date: 15-17 October, 2026

Venue: International Convention City
Bashundhara (ICCB), Dhaka

Opening Hours: 10:00 am – 7:00 pm

Frequency: Annual

Open to: Trade / Business Visitors
